**A Message from the Director**

Dear Patrons,

This is an exciting time for your Library!

On Saturday, April 25th, the Library Trustees sponsored a 4-hour public meeting/work shop to solicit feedback from residents regarding urgent building needs and possible improvements to the library. Attendees were asked to consider if they would support additional funding to affect the needed repairs, and what enhancements, in the way of remodeled space, new services and/or programs do they envision for the future of the Hampton Bays Library. Please stop in the Library or visit the Library website at: [Hamptonbayslibrary.org](http://Hamptonbayslibrary.org) for follow-up information from the meeting.

It is with great sadness that we announce the passing of former Trustee Helen Gould. Helen and her family resided in Hampton Bays for more than 40 years. During that time Helen was very active in the library and served on the Library Board of Trustees for many years. During her tenure as President, the first major addition was completed in 1989. At the family's request, memorial contributions can be sent to the Hampton Bays Public Library. A memorial reception will be held in the library's Helen Gould room in September. Details will be announced at a later date.

Sincerely,  
Susan LaVista,  
Library Director

**Art on Display**

Every month the paintings, photography, sculpture and other creative crafts are displayed in the Helen Gould Room located directly off the main foyer, and in the Lower Lobby display cases. We are pleased to present the following exhibitions:

**May**

**Good Ground Artists and Friends** is an eclectic group of artists whose core group lives in Hampton Bays. The group is dedicated to exhibiting their work in Hampton Bays and educating the Hampton Bays Community on the rich heritage that Hampton Bays has in the arts. An artists' reception will be held in the Helen Gould Room on May 3 from 2:00-4:00 pm.

**June**

**Kim Coruzzi** has been an avid photographer all her life. She hopes to convey through her photography the emotions of an abandoned building, the ephemeral beauty of a sunset, the passion of an artisan in a forgotten sculpture.

*We welcome inquiries about displaying your work. If you are interested, please contact Nancy Cariello at the circulation desk at 728-6241 x104.*
