## A Message from the Director

The Library will be hosting the Suffolk County Department of Labor Job Fair on Friday, March 11; more info on page 6. If you are job hunting, the library has many resources to help you get started. See the Reference Dept for more information.

Everyone is Irish on St. Patrick's Day! We hope to see you at the Hampton Bays St. Patrick's Day parade on March 19. Cheer us on as we pass by, or sign up at the library to march in the parade with library staff, trustees and Friends! Look for us with our special mascot who will distribute "Book-Bucks," good for a free book in the Friends of the Library Book Store in the lower level of the library.

Speaking of Friends, the Friends of the Library are looking for new active members and a treasurer to serve on their board. If you haven't joined the Friends, it's not too late! Your membership dollars help support library programming and special purchases. Forms are available in the library and on the website.

Please note: the Library will be closed on Wednesday, March 23 for Staff Development.

This year's theme for National Library Week, April 10-16 is *Libraries Transform*. Tell us how the library has transformed your life. Forms will be available in each department and filled-out forms will be displayed in the library. See inside for more National Library Week activities.

Every girl deserves to go to prom in a dress that makes her feel beautiful. Donations of *gently used* dresses, shoes and accessories will be accepted in the Teen Department from April 18-29 for the Prom Dress Drive May 2 to June 10.

You may have read in the local paper about the library's building needs, or maybe you attended one of the public meetings held last year. New and updated information as well as dates for upcoming public meetings will be posted in the library and on the library's website at [Hamptonbayslibrary.org](http://Hamptonbayslibrary.org) as it becomes available.

Sincerely,  
Susan LaVista, Library Director

### New Tween Time Info:

In the morning this room belongs to parents, caregivers, their babies and young children. The afternoon belongs to kids in grades 4, 5 and 6 . . . with as many kids downstairs in the YA department for grades 7 and up. With numbers increasing after school, it has become clear that it is time for the traditional idea of a kid's room in a library to evolve. In light of this, and since we have always been open to progressive ideas, we have been thinking about how we can better serve this community need. Four days a week (with the exception of school vacations) we will offer something for the after-school kids to do. We ask that the rules and code of conduct from school be respectfully carried over into the library and we reserve the right to add or subtract students from programs based on behavior.

### Tween Time for Grades 4, 5 & 6!

#### Program notes:

- TEDx and Soul Pancake are educational, inspirational and socially responsible videos. We will watch, discuss & maybe plan how we can become involved in important issues.
- The "Challenges" will be a blast! Some involve food so let us know about allergies please.
- In the Tournaments we will be playing Pictionary, Sorry, Candy Land, Scrabble & other classics.
- The movies will be chosen the day of.
- Turntable Ed (ucation) & Tween Advisory Board – records are back! If you (or your parents) are a vinyl fan bring your own to share or you can choose from mine. We will listen while you discuss what you would like to see in your Kid's Room in the future. These ideas will be written up and shared with the Library Board when considering future changes to the building.
