A Message from the Director

Dear Patrons,

You may have heard or read that the Library is proposing a building project to construct a new building on the current site. The vote will take place in the library on Tuesday, June 14, 2016. A special mailer is being sent to all Hampton Bays residents with information about the project, how much it will cost and dates for public meetings to be held in the library. Information will also be available in the library and on the library website.

Back by popular demand! A recently held Paint Night was such a success we are offering it again:

Paint & Pizza

Tuesday, June 14 from 6-8:30 pm

Artist Melissa Digiuse will guide patrons step by step to create a beautiful painting even if you never picked up a paint brush before! For only \$12 per person, each painter will receive an 11X14 canvas and all supplies. The fee includes pizza and soft drinks and is limited to 60 patrons. **Please note that you must be a Hampton Bays Public Library cardholder to attend. Register at the Circulation Desk beginning Thursday, April 21.**

Thank you to patron Anne Coppola who marched with board members and staff in the Hampton Bays St. Patrick's Day Parade as Mother Goose!

The community has spoken! After dozens of phone calls, emails and drop in visits from you, our patrons, the recent pilot initiating a two week break between ongoing exercise programs has been reversed. As of May 1, there will be no interruption in those classes.

Sincerely,
Susan LaVista, Library Director

Mission Statement

Tween Time for Grades 4, 5 & 6!

In the morning this room belongs to parents, caregivers, their babies and young children. The afternoon belongs to kids in grades 4, 5 and 6. With numbers increasing after school (we have between 20 and 60 children daily), it has become clear that it is time for the traditional idea of a kid's room in a library to evolve. In light of this, and since we have always been open to progressive ideas, we have been thinking about how we can better serve this community need. Four days a week (with the exception of school vacations) we will offer something for the after-school kids to do. We ask that the rules and code of conduct from school be respectfully carried over into the library and we reserve the right to add or subtract students from programs based on behavior. Children may also be suspended from the library due to behavior. **Please note the after-school rules are as follows:** No food or drink except for bottled water. Computers are for homework only until 5:30 pm. Children must bring their library card – we will not issue guest cards. Children in grade 6 and under must remain in the Children's Department and may not be unattended anywhere else in the library including Teen Services. Unless otherwise noted, programs start @ 3:30 pm and run Tuesday through Friday. Details at the Children's Reference Desk.

Children must have their own Hampton Bays Library card to register for programs; please see the Circulation Desk for details.

Children under ten years of age may not be unaccompanied in the Children's Room; they MUST be with an adult. Don't forget to check our Blog regularly for information on upcoming programs, links to great parenting, children's literature & children's craft blogs, book recommendations and pictures from our latest programs!
