A Message from the Director

Dear Patrons,

The Library's Annual Budget Vote for FY 2017 will have taken place after this newsletter went to print. Results are posted on the library website and in the library. Thank you to all who voted.

Parents, please note the following policy change. Due to the large number of students that visit the library after school and budget constraints which limit the number of staff in the children's department, the Board of Trustees has adopted a revised "Unattended Child" policy. Effective immediately, all students in sixth grade and below MUST be accompanied and supervised by an adult age 18 or older when visiting the library. Only children in seventh grade and up may attend the library without a supervising adult age 18 or older.

September is Library Card Sign-up Month! A library card is the coolest card you can carry and the best back to school tool you can give your child. Apply at the circulation desk; please bring ID and proof of residency.

Thank you to the Charles and Stella Guttman Foundation for a generous grant of \$2,500, and to NYS Senator Ken LaValle for a \$6,000 grant in Bullet Aid. Grants and contributions such as these help the library to enhance services without increasing taxes.

Library Foundation to be established: The Board of Trustees has listened to the community. Because there are renovations and repairs that must be made to the library to meet the needs of the community and provide a safe and healthy environment, the Board of Trustees is looking for ways to secure funding towards these improvements to help defray costs to tax payers. One of these avenues will be to establish a Hampton Bays Library Foundation. The first step will be to legally establish the Foundation. We will keep you posted on the progress and the members of the Foundation in a future newsletter.

The Friends of the Library recently hosted their Second Annual Author's Luncheon at Oakland's Restaurant with nearly 100 in attendance. A great time was had by all! The Friends annual membership drive is ongoing. Everyone needs Friends, especially the library! Please consider joining. The Friends Board is seeking to fill an open position of recording secretary.

Sincerely,
Susan LaVista, Library Director

Mission Statement

New Unattended Children Policy!!

5th & 6th GRADERS MAY NO LONGER BE UNATTENDED IN THE LIBRARY AFTERSCHOOL:

For your children's safety and comfort, the Hampton Bays Public Library requires that all children in sixth grade and below be accompanied and supervised by a parent or responsible adult age 18 years or older while using the library. Only children who are enrolled in seventh grade and up may use the library without adult supervision. They are expected to comply with all library

policies. Parents or caregivers, not the library staff, are responsible for the behavior and supervision of their children while using the library. The Hampton Bays Public Library does not assume responsibility for children's safety or behavior when they are in the library. Parents or responsible caregivers will be notified if their children are left unattended and require supervision. If parents are unavailable, proper authorities will be contacted. Amended July 5, 2016.

Every month the paintings, photography, sculpture and other creative crafts are displayed in the Helen Gould Room located directly off the main foyer, and in the Lower Lobby display cases. We are pleased to present the following exhibitions:

September: Exhibiting this month is photographer **Janet Lusk**. Her photographs depict scenes that show her love of Hampton Bays. Janet's photographs have been published in coffee table books, and a pastel sketch was awarded third place in a juried art show at East End Arts in Riverhead.

October: Artist **Anne Elderfield**, a Hampton Bays resident with a love of watercolor and design, captures the magnificent universes created by the beautiful gifts of nature in her floral designs.

We welcome inquiries about displaying your work. If you are interested, please contact Nancy Cariello at the circulation desk at 728-6241 x104.
