## A Message from the Director

Once again, the staff has outdone themselves in planning ongoing as well as exciting new seasonal and holiday programs for patrons of all ages and interests. In this season of giving, we offer many opportunities to support others in need: The Children's Room will host the Mitten Tree and will be a drop off spot for Toys for Tots. The Teen Department will host a drive for food, toys, and pet supplies for the Southampton Animal Shelter. Our annual "Food for Fines" Food Drive to help stock the local Food Pantry begins in mid-November. Information is available at the Circulation desk.

By complying with the Tax Cap and keeping budget increases to a minimum, the Library relies on bequests, gifts and grants to expand our funding for special programs and services. Please consider including the library in your financial planning. The Friends of the Library paid for summer reading clubs and many special programs and projects. Everyone needs Friends, especially the Library! If you aren't a Friend yet, please consider joining.

Library Foundation to be established: The Board of Trustees has listened to the community. Because there are renovations and repairs that must be made to the library to meet the needs of the community and provide a safe and healthy environment, the Board of Trustees is looking for ways to secure funding towards these capital improvements to help defray costs to tax payers. One of these avenues will be to establish a Hampton Bays Library Foundation. The first step will be to legally establish the Foundation. We will keep you posted on the progress and the members of the Foundation in a future newsletter.

See the back page of this newsletter for a list of holiday closings. In case of an emergency closing due to inclement weather, call the library or check the library website for information. Closing information is also available from WLNG 92.1, WALK 97.5 and News12.

I hope a visit to the library is in your weekly plans, but if you just can't get here, there are many free digital resources and services available 24/7 from our web site at <http://hamptonbayslibrary.org> or go directly to [www.Live-brary.com](http://www.Live-brary.com) to access free downloads of audio books, eBooks, eMagazines and so much more!

Sincerely,  
Susan LaVista, Library Director

## East End Library Partnership with Quogue Library!

*In light of our tradition of getting out of the library and into the community and nature, I have partnered with my friend and fellow librarian, Lonna Theiling, to form the East End Library Partnership. Through this collaboration we will invite our patrons to visit one another's library for special events and programs. We will begin in November by meeting at Quogue Library (as we meet up in places for our No Child Left Inside programs) details at right:*

### EELP: Fall Storybook Walk @ Quogue Library

**Friday, November 18; 12:00 pm**

**For children ages birth – 5.** The grounds at Quogue Library are absolutely beautiful and Miss Lonna has constructed a wonderful storybook walk around the property. What is a Storybook Walk? It is a fun, educational activity that combines the wonder of reading aloud with the wonders of nature—each page from a picture book is laminated and mounted on a stake along a path to follow. At each page stop other activities are added in as well. Bundle up for a brisk and fun walk from page to page outside and then come in for a craft and snack.

See you soon, Vicky and Erick

Hello friends. I'm Erick, your new full-time Teen Services librarian. If you have frequented the teen department over the past few months, you may have already seen me (the guy with the terrible haircut, occasionally dressed like The Joker, etc.), but if we haven't met yet, feel free to stop by and say hi. In particular, if you have any interest in tabletop gaming, console gaming, RPGs, graphic novels, cosplay, or useless trivia . . . I'm your man. Drop in at the desk or during one of my many strange programs and I'll try my best not to be too weird. No promises though.
